

REMARKS/ARGUMENTS

Claims 81-94 have been canceled. No new matter has been added.

The Office Action provisionally rejects Claims 47-80 on the ground of nonstatutory obviousness-type double patenting as being unpatentable over Claims 1-35 of copending Application U.S. 2006/0178265 A1 (Appl. Serial No. 11/340,542). Applicants submit that the Terminal Disclaimer filed herewith obviates the rejection. Accordingly, reconsideration and withdrawal of the rejection are respectfully requested. Consequently, in view of the present amendment, no further issues are believed to be outstanding in the present application, and the present application is believed to be in condition for formal allowance. An early and favorable action is therefore respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, L.L.P.
